Services

Case Management

Provides an assessment of client needs and referrals to health care and other necessary support services to improve the client's quality of life.

Drug Assistance

Assists clients in obtaining HIV/AIDS medications. A list of drugs covered by the RW program are found at: www.ndhealth.gov/hiv.

Outpatient Services

Provides assistance with costs associated with accessing and maintaining outpatient medical care, including HIV specialty care.

Health Insurance Premium Assistance

Provides assistance with private insurance and Medicaid premiums.

Oral/Vision Care Assistance

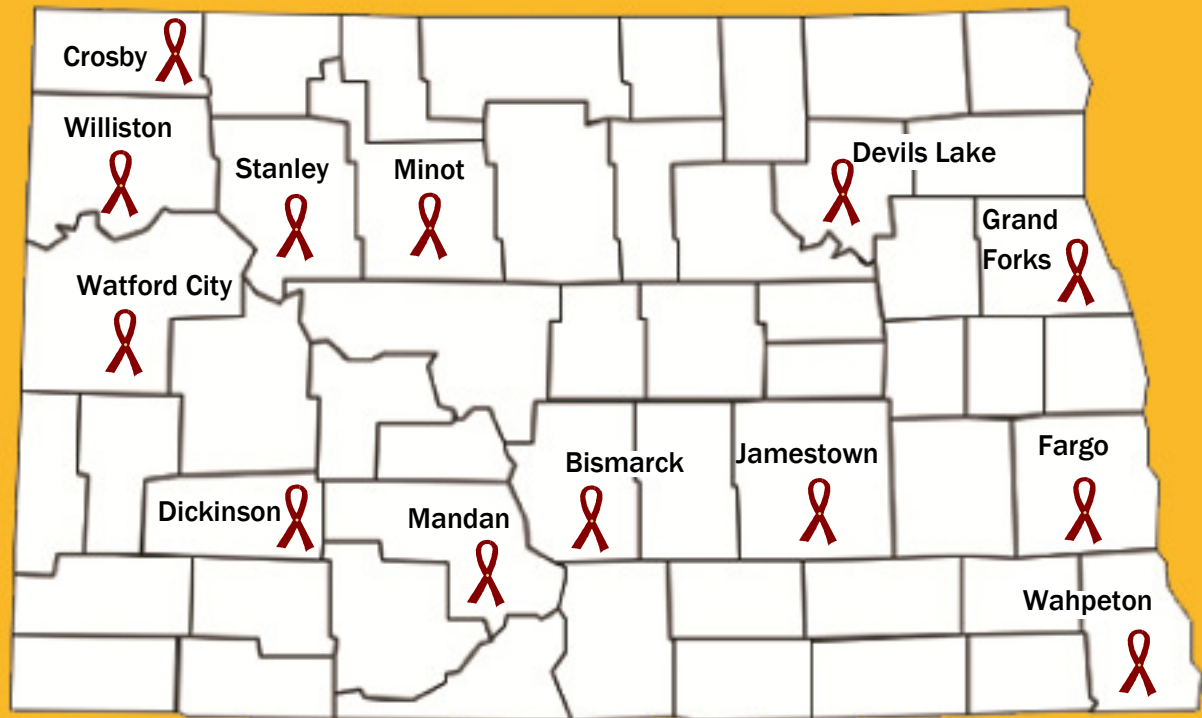

Provides assistance with preventative and routine oral and vision care, and some extensive procedures.

Emergency Assistance

Provides short-term financial assistance for essential basic living needs.

Transportation Assistance

In some circumstances, transportation assistance is available for essential medical care or treatment.

You are eligible if...

- ▲ You are HIV positive
- ▲ You are a **resident of North Dakota**
- ▲ Your annual gross income is at **or under 300%** of the federal poverty level (approximately \$35,000)
- ▲ You are **not receiving identical services** through other available programs (i.e., Medicaid, Medicare, insurance)

How to enroll...

To enroll in the Ryan White program, **contact a Ryan White case manager in your area.** You can find a complete list of locations online at www.ndhealth.gov/HIV; or call **1-800-706-3448** or **701-328-2378**.
